## OBJECTIVE

Hard-working, focused and passionate student seeking employment as a youth summer intern.

## SKILLS

I am comfortable working on a team, am experienced with technology, and know several computer programming languages. I am also fluently bilingual; I speak and write in both English and French.

## CORE STRENGTHS

### TEAMWORK

Through soccer and music, I have become confident leading a team.

### EXCELLENCE

As shown by my school grades, I give my best in all my work.

### INDEPENDENCE

I am responsible and proactive.

## EDUCATION

### HIGH SCHOOL • DR CHARLES BEST SECONDARY • 2015 – 2019

I spent a semester being a class tutor, helping students with comprehension and generally supporting them academically. I am academically capable, achieving Honours with Distinction (86%+ in 4+ courses), Excellent Work Habits (G average), and Subject Excellence in several Math and Science courses. I graduated with Honour Cord.

### POST-SECONDARY • BCIT • 2019 – PRESENT

I am currently studying in Computer Systems Technology, being trained in both theoretical and practical aspects of computer programming and software development.

## VOLUNTEER EXPERIENCE

### WORSHIP TEAM MEMBER • HILLSIDE COMMUNITY CHURCH • JUNE 2016 – PRESENT

Work involves working as a team to lead the congregation in a time of worship. This has helped build my musicianship, teamwork, and interpersonal skills.

## WORK EXPERIENCE

### YOUTH SUMMER INTERN • HILLSIDE COMMUNITY CHURCH • JUNE 2019 – AUGUST 2019

Work involved working with other staff and volunteers to plan and realise events, organizing and running worship and games sessions for young children, and designing posters for fundraisers and events.
